 Advantage: Small Vibration And Noise
 Highlight: 4 wheel sideloader forklift, diesel forklift sideloader, diesel sideloader forklift

Product Description

THE 4-WHEEL SIDE-LOADER FOR THE LINE HAUL

For operations that require robust and fast operation when moving product across widespread sites, the four-wheeled, two directional GOODSENSE 10 ton diesel side loader forklift is suitable for use.

ROBUST, FAST & RELIABLE!

Available with 10 ton load capacity, GOODSENSE 10 ton diesel side loader forklift was developed for operations that require responsible, strong and fast operation when moving product across massive sites and offers important advantages over other machines on the market.

The Japan ISUZU engine without DPF reduces maintenance costs, reduces fuel consumption and ensures cleaner emissions.

COMFORTABLE & FEATURE RICH

Drivers can be assured of a comfortable ride throughout their shift owing to the capacious cabin with deep suspension seat and an adjustable steering wheel.

Features such as the capacious cabin, all-wheel hydrostatic drive, load sensing steering, plus of course a choice of customised options such as different colors enable you to tailor your GOODSENSE 10 ton diesel side loader forklift to exact requirements.
